

ANNOUNCEMENTS

SERMON SERIES:

This year the Easter season will be a celebration of the truth of the Resurrection and its implications for our very lives. Real Faith for Real Life. A few years ago, the George Gallup Organization identified The Six Basic Needs of Adults. They are as follows:

- ⇒To believe that life is meaningful and has a purpose.
- ⇒A sense of community and deeper relationships.
- ⇒To be listened to and to be heard.
- ⇒To feel that one is growing in faith.
- ⇒To be appreciated and respected.
- ⇒For practical help in developing a mature faith.

The Easter season speaks boldly to the basic human needs.
